

Sow In The Word

The Need:

- ✓ Every Community has Mentoring, Teaching, Leadership, and Financial Need
- ✓ The Church today in America is weak at best and minimal Influence
 - NO Sense of nor Teaching of - Jesus as Lord (King)
 - NO Discipleship
 - NO Evangelism
- ✓ Retired Baby Boomers seeking Purpose/Place
- ✓ Youth Today attached to Technology – Distracted and Lost
- ✓ In-Between Ages are ‘Going Through The Paces’ day to day – little Purpose/Direction
- ✓ Rural Areas are more affected as families move for opportunities (Income)
- ✓ The USA has become known Globally as a Mission Field
- ✓ Post-COVID – Church and Communities
- ✓ Each Locality and Culture has the same needs – no escaping
